

Spring 2024 Private Applicator Certificate Continuing Education

You are invited to attend one of Kern County's 2024 Spring Private Applicator Certificate (PAC) continuing education (CE) sessions. Both English and Spanish sessions have been scheduled. The schedule of times, dates, and locations of each session are listed below. Attending one of these PAC CE sessions will earn you two (2) hours of Laws & Regulations credits. You **may not earn more than two (2) hours of CE** by attending more than one of these sessions.

Session Topics:

- | | |
|--|--------------------------|
| 1. Important Regulatory Updates for 2024 | 60 minutes |
| 2. Regulations for Proper Use & Disposal of Aluminum Phosphide | <u>60 minutes</u> |
| | Total = 2.0 hours |

Location: *Please note that all sessions will be held in Bakersfield at:*

**Kern County Farm & Home Advisors' Conference Room
1031 S. Mount Vernon Ave., Bakersfield, CA 93307**

Schedule: *(Please attend only one session)*

- BAKERSFIELD**

Monday, March 25	9:00 to 11:00 a.m. (English) 1:30 to 3:30 p.m. (Spanish)
Wednesday, March 27	9:00 to 11:00 a.m. (English) 1:30 to 3:30 p.m. (Spanish)
Wednesday, April 3	9:00 to 11:00 a.m. (English) 1:30 to 3:30 p.m. (Spanish)
Friday, April 5	9:00 to 11:00 a.m. (English) 1:30 to 3:30 p.m. (Spanish)

Please arrive 10 to 15 minutes early to register before the presentations begin. Current Private Applicators will need continuing education units (CEU's), to be eligible for renewal without testing. PAC holders with **last names** beginning with the letters:

A-H will expire Dec. 31, 2024; 6 hrs. CEU will be needed for renewal

I-Q will expire Dec. 31, 2025; 6 hrs. CEU will be needed for renewal

R-Z will expire Dec. 31, 2026; 6 hrs. CEU will be needed for renewal

Those who do not meet the requirements outlined above must pass a written, Department of Pesticide Regulation exam to renew their Private Applicator Certification (PAC). We hope that you are able to attend one of these informative sessions.
