Please arrive 10 to 15 minutes early to register before the presentations begin. Current Private Applicators will need continuing education units (CEU's), to be eligible for renewal without testing. PAC holders with **last names** beginning with the letters:

A-H will expire Dec. 31, 2027; 6 hrs. CEU will be needed for renewal
I-Q will expire Dec. 31, 2025; 6 hrs. CEU will be needed for renewal
R-Z will expire Dec. 31, 2026; 6 hrs. CEU will be needed for renewal

Those who do not meet the requirements outlined above must pass a written, Department of Pesticide Regulation exam to renew their Private Applicator Certification (PAC). We hope that you are able to attend one of these informative sessions.
