REQUEST FOR PESTICIDE NOTIFICATION

I, hereby request to be notified 48 hours before pesticide applications of materials toxic to bees as provided for in Title 3 of the California Code of Regulations, Section 6652. I understand that I must provide the Commissioner with a two-hour period between 6:00 a.m. and 8:00 p.m., Sunday through Saturday.

I am available for notification during the following two-hour time period from _____ to _____ each day at the following phone number(s): () _____ or () _____.

As provided for in the California Food and Agriculture Code Sections 29101, 29046, I understand that I am required to submit any change of apiary locations to the Agricultural Commissioner IN WRITING within 72-hours of relocating. I understand that I am required to properly post identification signs at my apiaries with my name, address, and telephone number. I understand that I must have permission from the property owner, or authorized agent, before I can locate my bees on their property. Upon request of the Director or Commissioner, I must provide proof of such, including the name and telephone number of the person granting approval. I understand that this Apiary Registration expires on December 31st.
